LOCAL NEWS.

POCKET PICKED.—Mr. C. B. Sommerville, book-keeper for Messrs. Warren & Moore, of this city, who arrived here, this morning, from Orange Court House on the Danville train, had his pocket picked while on the cars of a book containing \$344.45 in money and checks. His loss will amount to but \$165, as the remainder was in checks, the payment of which has been stopped. Mr. Sommerville took the cars at Orange Court House at an early hour, this morning, and as there were few passengers, reversed the back of the seat in front of him, and resting his feet on the cushion of that seat, went to sleep. In the gray of the morning he was awakened by feeling cramped, and found his feet on the cushion of the same seat upon part of which he was sitting, and two men occupying the seat from which they had been removed. These two men went out of the car soon afterwards, and it is supposed they were the pickpockets, though Mr. S. did not discover his loss until he had reached his own room.

FELL FROM A BRIDGE.—The Washington Chronicle says:—"About 11.30 o'clock yesterday morning Sergeant Acton and Officer Lipscomb, of the 5th precinct, found a colored man named Jeremiah Nichols, lying on the sidewalk near the post office, bleeding in a profuse manner. The man stated that he came from Alexandria, and that he fell from the stone bridge, about one and a half miles from that city, on the night of the 26th instant; that he returned to Alexandria and applied to the authorities for relief, which was refused, and the injured man was furnished with a horse and carriage with which to bring him to Washington, where he was found by the Washington officers at the place above mentioned, from whence they conveyed him to the dispensary. His wounds were dressed by Dr. Walters, who pronounced them of a dangerous nature. He was held at the Central Station, and was subsequently conveyed to the hospital."

C. & O. CANAL SURVEY.—The survey of the route for the extension of the Chesapeake and Ohio Canal to the Ohio river, which has been in progress under the supervision of the War Department since August last, has just been completed. The engineers have made a preliminary location of the line from Cumberland to the Falls of Youghiogheny. The length of the line is 85 miles, and it is 100 miles to where slack water is expected to begin, at Connettsville. The summit is passed at an elevation of 1,300 feet above the Cumberland, by a tunnel 34 miles long, the Cumberland, by a tunnel on the eastern side, and four on the western. The estimate made last year is deemed to hold good—that is \$25,000,000 for a canal 70 feet wide and 7 deep, with locks 120 feet by 20, capable of passing boats of two hundred tons.

KNIGHTS OF PYTHIAS.—The Drill Association, K. of P., have suspended their usual exercises during the holidays, but will resume them the first Wednesday in January with renewed energy and zeal. May is drawing near, and Alexandria must be creditably represented at the coming gathering in Washington of lodges from all parts of the United States.

The following election of officers of Mechanics Lodge, No. 3, K. of P., took place last night: C. C. G. W. Heislley, V. C.; K. Kemper; Prelate, R. H. Wade; K. of R. and S. Job Corson; M. of R. R. Warder; M. of E. C. T. Ervin; M. at A. G. M. German; Steward, E. E. Padgett.

DEATHS.—Under the obituary head of today's Gazette will be seen a notice of the death of Mr. Wm. Morgan, who was probably the oldest resident of the city. Mr. Morgan came to this country from Ireland and lived in this city from the year 1807 until the time of his death, during the whole of which time he was an honest upright and respected citizen.

Mr. Frederick Miller died at his residence on South Lee street, this morning, after a protracted illness. He was a native of Finland but had been a resident of this city for many years, though he spent most of his life at sea.

I. O. O. F.—The following officers have been elected for the ensuing term by Potomac Lodge No. 38 I. O. O. F.: A. J. Fair, N. G.; W. E. Latham, V. G.; B. F. Peake, R. S.; Hugh Latham, Permanent Secretary; J. H. DeVaughn, Treasurer.

The following officers of Marley Encampment No. 6 I. O. O. F. were elected last night: J. A. Feld, C. P.; L. M. Davis, H. P.; C. M. Driscoll, S. W.; Hugh Latham, Scribe; J. H. DeVaughn, Treasurer; W. E. Latham, J. W.

SERIOUS ACCIDENT.—Mr. Thomas Howard, a journeyman tinner employed by Mr. Thomas Hoy, while engaged this morning in tinning the roof of the porch of Mr. Carlin's new house on south St. Asaph street, slipped from the wet shingles to the scaffold below and breaking through that fell to the ground of the yard and injured himself severely, if not seriously.

PERSONAL.—The Washington Capital says:—"We had the pleasure of meeting Mr. John S. Barbour last week in one of his flying trips, and we find that gentleman still human, handsome and youthful. A few more men like Mr. Barbour is all that Virginia needs to lift her to that position of business influence which it is only a matter of time that she will achieve."

MARINE RAILWAY.—The chain-head for the Alexandria marine railway arrived yesterday from Baltimore, and will be immediately placed in position, when the railway will at once commence operations, some delay having been caused by awaiting the arrival of the above-mentioned piece of machinery.

POLICE REPORT.—The following cases have been reported at police headquarters since yesterday: James Tier, for disorderly conduct on Christmas, was fined and discharged. Carson Kane, for abusing and maltreating his wife, was fined and discharged. Robert Willson a colored boy, for fighting and disorderly conduct at Newtown, and for attempting to cut another colored boy with a razor, was locked up for further examination. Hueh Huey, for disorderly conduct, was locked up for further examination. The above cases were before the Mayor. Elizabeth Graham, for abusing and threatening to chop up with a hatchet Eliza Ferguson, both colored, was discharged by Justice Piddget on the payment of costs, but she and the complainant were both bound over to keep the peace. Ten lodgers were accommodated at the station house last night.

ATTEMPTED SUICIDE.—A young colored woman named Jenny Hughes, but generally called Jenny Bell, the wife of a colored man named Wm. Hughes, living on Alfred, between Franklin and Gibson streets, attempted to commit suicide yesterday afternoon by jumping into the race at Cameron Mills, but was prevented from executing her design by a white man, who, passing there at the time pulled her out of the water where she was more than half drowned. When sufficiently recovered to talk she deplored the failure of her suicidal attempt, and announced her intention of repeating it at the next favorable opportunity. She had lived a free and easy life before her marriage and could not bear the restraints of matrimony, saying to her friends, "one had as well be dead as married."

DENSE FOG.—The Washington Star in speaking of the heavy fog that prevailed last Sunday night, says:—"The fog was so dense in the river last night that navigation was rendered difficult and dangerous. It was so dark that one of the colored deck-hands of the steamer Keyport fell overboard after her arrival at the wharf here. It had not been darker than the night he would not have been discovered and rescued."

STEAM CANAL BOAT.—The steam canal boat Moore, having undergone the regular necessary inspection, will, during the suspension of canal navigation, run on the Potomac river. She passed by here this morning on her way to Washington with a load of wood, and though a strong ebb tide was running, was making pretty good time. She is an ordinary canal boat equipped with a steam propeller.

SOCIETY BALL.—Some of the young gentlemen of the city will give a subscription ball at Sarepta Hall to-morrow night. The invitations have been out for several days, and as nearly all have been accepted a large company will probably be in attendance. The hall is being prepared for the occasion, and Weber's band of Washington will furnish the music.

THE WEATHER.—The rain which commenced early last night continued to fall until about half-past eight o'clock this morning, since which time, though the wind has been from the northwest, the sky has remained cloudy with an occasional glimpse of the sun. The temperature remains moderate, though slightly cooler than it was yesterday.

TELEGRAPHIC NEWS.

SPECIAL DISPATCHES TO THE GAZETTE.]

The Loss of the Cospatrick. NEW YORK, Dec. 29.—A London special says: Besides the crew, the Cospatrick had 4 cabin and 42 steerage passengers, who had emigrated under government regulations, and are supposed to have been lost. The government emigrants were for the most part agricultural laborers, who left England in consequence of the operations of the recent labor strikes. Many of them were married and were accompanied by their families.

NEW YORK, Dec. 29.—The ship Farfarshire, now at this port, is one of the same line as the Cospatrick. The captain of the Farfarshire states that the Cospatrick has been employed in carrying troops to India, but of late has been running to New Zealand. Their voyage previous to this last one was one carrying coolies from Calcutta to Demerara. She was valued at 60,000 dollars, and probably insured in London. He believed the Cospatrick had the same number of boats as the Farfarshire, namely, two cutters, one long boat, two life boats, and one gig, capable of carrying 250 people. The Cospatrick's officers and crew probably numbered about forty persons.

LONDON, Dec. 29.—Special dispatches from Madras to the London morning journals give the following additional particulars of the burning of the emigrant ship Cospatrick: The fire broke out at midnight of November 17, and within half an hour enveloped the vessel nearly in its entire length. The scene was one of the wildest confusion. But two boats succeeded in getting away, each of which contained thirty persons. These remained alongside the ship until the 19th of November, when her hull was completely buried under and she sunk. The two boats then started for land. They kept together for two days when a gale arose and they became separated. One of them has not since been heard of. The other was fallen in with by the British ship Sceptre. At that time it contained five living persons, two of whom died before the Sceptre reached the island of St. Helena.

Crimes.

NEW YORK, Dec. 29.—Patrick Wallace beat his wife's brains out in Williamsburg, last night. Both were drunk. Rachel Coward is being tried for the murder of Chas. Tenbrook, at New Brunswick, N. J. John P. Hall murdered an elderly lady named Fitch, at Guilford Centre, in this State, Sunday morning, with an axe. Hall was arrested.

GEORGETOWN, Del., Dec. 29.—The neighbors of John Holland, colored, living near Milton, were startled by hearing screams coming from his house about eleven o'clock last evening. They went there and found his wife hung in a tree. From marks on her body it is supposed Holland murdered her. He has disappeared.

CINCINNATI, Dec. 29.—Mary Lee, a colored girl 18 years old, was murdered here last night by some one unknown, who cut her throat from ear to ear.

The French Cabinet.

LONDON, Dec. 29.—A Times' special dispatch from Paris says the retirement from the French Government of Duke Decazes, Minister of Foreign Affairs, is probable, on account of his opposition to the undecided policy of the Cabinet. The Legationist and Bonapartist Deputies in the Assembly demand his retirement from the Ministry, as the price of their support of the Government. The Presse, a semi-official newspaper, however, announces there will be no modification of the Cabinet before the meeting of the Assembly, and that its fate will be determined by a vote on the proposal to discuss the bill for the creation of a Senate.

Another Carlist Defeat.

MADRID, Dec. 29.—An engagement has taken place at the town of Roda, province of Barcelona, between a band of Carlists and a body of National troops in which the former were defeated with a loss of 30 men killed.

The Alaska Disaster.

NEW YORK, Dec. 29.—In addition to Mr. Waburg, who died on the ferry boat Alaska, after his legs were cut off last evening, John Karamencker, who had a leg cut off and foot crushed, subsequently died at a hospital.

Run Over and Killed.

ST. LOUIS, Dec. 29.—Last night an aged couple named Todd were run over by a train on the Canada Southern railroad. Mr. Todd was instantly killed and Mrs. Todd died in a few hours.

The Weather in England.

LONDON, Dec. 29.—The weather throughout England to-day is fair.
